WELCOME TO THE DAIRY'S MEAL EQUIVALENCY MENU!

Exclusively for Clever Cuisine Meal Plan students, we're offering a unique, made to order dining experience with balance, flavour, and flexibility at its heart. We've selected your favourite dishes and given them a fresh twist replacing sides with nutritious alternatives to keep meals lighter and more balanced. Prefer chips, or other classic options? Swap them for a small surcharge while still enjoying great value!

HOW TO PAY?

Visit the bar, and order your items from there. You will then tap your campus card as you would in other dining outlets, and your order will be sent to the kitchen. Then sit back down, and a member of our team will deliver to your table once ready!
